2 Lots / 2.6± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on June 19, 2003, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) the provision of a 75-foot setback (which includes the required minimum building setback of 25-feet) from the centerline of Dawes Road;
- 2) placement of a note on the final plat stating that Lot 2 is limited to one curb cut to Dawes Road with the size, location and design to be approved County engineering; and
- 3) the placement of a note on the final plat stating that any property that is developed commercially and adjoins residentially developed property shall provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.
