Forest Hill Church of God

Dear Applicant(s) / Property Owner(s):

At its meeting on May 2, 2002, the Planning Commission considered for Planned Unit Development the site plan to allow multiple buildings on a single building site.

After discussion it was decided to approve this plan subject to the following conditions:

- (1) compliance with the Engineering Comments;
- (2) that the parking areas (where necessary), be re-striped, specifically the area to the North of the proposed new building, and that this specific area also have bumper stops;
- (3) tree removal permits, as well as the planting of additional trees, if the two trees to be removed were previously claimed for credit; and
- (4) full compliance with all municipal codes and ordinances.

If you have any questions regarding this action, please call this office at 251/208-5895.

Sincerely,

MOBILE CITY PLANNING COMMISSION
Victor McSwain, Secretary
