Dear Applicant(s) / Property Owner(s):

At its meeting on November 20, 2003, the Planning Commission waived Section V.D.3. of the Subdivision Regulations, and approved the above referenced subdivision subject to the following conditions:

- (1) the approval of all applicable federal, state and local agencies prior to the issuance of any permits; and
- (2) the placement of a note on the final plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [henley@cityofmobile.org](mailto:henley@cityofmobile.org).
