Hamilton Commercial Park Subdivision

2850 and 2860 Hamilton Boulevard (North side of Hamilton Boulevard, 520'±
East of Bellwood Drive East).
1 Lot / 11.7± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on December 5, 2002, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- (1) the placement of a note on the final plat stating that the development is limited to two curb cuts to Hamilton Boulevard, with the size, location and design to be approved County Engineering;
- (2) the placement of a note on the final plat stating that any lot that is developed commercially and adjoins residentially developed property shall provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations; and
- (3) placement of the required 25-foot minimum building setback line on the final plat.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
