Re: Case #SUB2004-00279
Hollingers Island Subdivision, Island Farms, Resubdivision of Lot 36, Block
5
6478 Bay Road (West side of Bay Road, 630'± South of Bay Road North).
2 Lots / 10.0± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on January 6, 2005, the Planning Commission waived Section V.D.3. (width to depth ratio), of the Subdivision Regulations, and approved the above referenced subdivision subject to the following conditions:

- (1) the placement of a note on the final plat stating that any lots which are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations;
- (2) the placement of the 25-foot minimum setback line on the final plat; and
- (3) the approval of all applicable federal, state and local agencies prior to the issuance of any permits.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
