(Southeast corner of Airport Boulevard and Hamilton Bridges Drive West).  
1 Lot / 4.1± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on June 15, 2006, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- 1) placement of the 25-foot setbacks on the final plat for the entire site; and**
- 2) the placement of a note on the final plat stating that any lots that are developed commercially and adjoin residentially developed property must provide a buffer, in compliance with Section V.A.7 of the Subdivision Regulations.**

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, seven copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at [travisz@cityofmobile.org](mailto:travisz@cityofmobile.org).
