Re: Case #SUB2003-00072

Lynda Corrie Estates Subdivision

4475 McCrary Road (West side of McCrary Road, 500'± North of Calhoun Road).

2 Lots / 6.1± Acres

Dear Applicant(s) / Property Owner(s):

At its meeting on May 1, 2003, the Planning Commission approved the above referenced subdivision subject to the following conditions:

- (1) the provision of a 75-foot setback (which includes the required minimum building setback of 25-feet), from the centerline of McCrary Road;
- (2) the placement of a note on the final plat stating Lots 1 and 2 are limited to one curb cut each to McCrary Road, with the size, location and design to be approved by County Engineering; and
- (3) the placement of a note on the final plat stating that any lot that is developed commercially and adjoins residentially developed property shall provide a buffer, in compliance with Section V.A.7. of the Subdivision Regulations.

After you have obtained all the necessary approval signatures and the plat has been recorded in the Mobile County Probate Office, **seven** copies of the recorded plat (including map book and page number) must be submitted to the Land Use Administration office. This procedure must be completed within one year, or the Tentative Approval will expire.

It is also requested that a digital copy of the final plat be submitted to the Land Use Administration office once the plat has been submitted to Probate for recording. This may be submitted on disk or via e-mail at henley@cityofmobile.org.
