

OAK FOREST PLACE SUBDIVISION

This is a request for a one-year extension of a previously approved 15-lot subdivision. The subdivision is located on the South side of Clarke Road, 156'± East of Dawes Road.

There have been no extensions since the subdivision was originally approved on June 18, 2009, and no units have been recorded. There have been no changes in the condition of the surrounding area(s) that would affect the subdivision as previously approved, nor have there been any changes to the regulations that would affect the previous approval.

Based on the preceding, it is recommended that this request for extension be approved; however, as road construction is not required, the applicant should be advised that future extensions are unlikely.
