Planned Unit Development Approval to allow reduced lot widths, reduced building setbacks, increased site coverage, shared parking, and reduced street widths in a private street, single-family residential town home subdivision.

REMARKS

The applicant is requesting a one year extension of a previously approved PUD and Subdivision.

This is the first request for extension since the original approvals in 2005. There have been no changes in conditions in the surrounding area that would affect the PUD or subdivision as approved, nor have there been changes to the Zoning Ordinance or Subdivision Regulations that would affect the previous approvals.

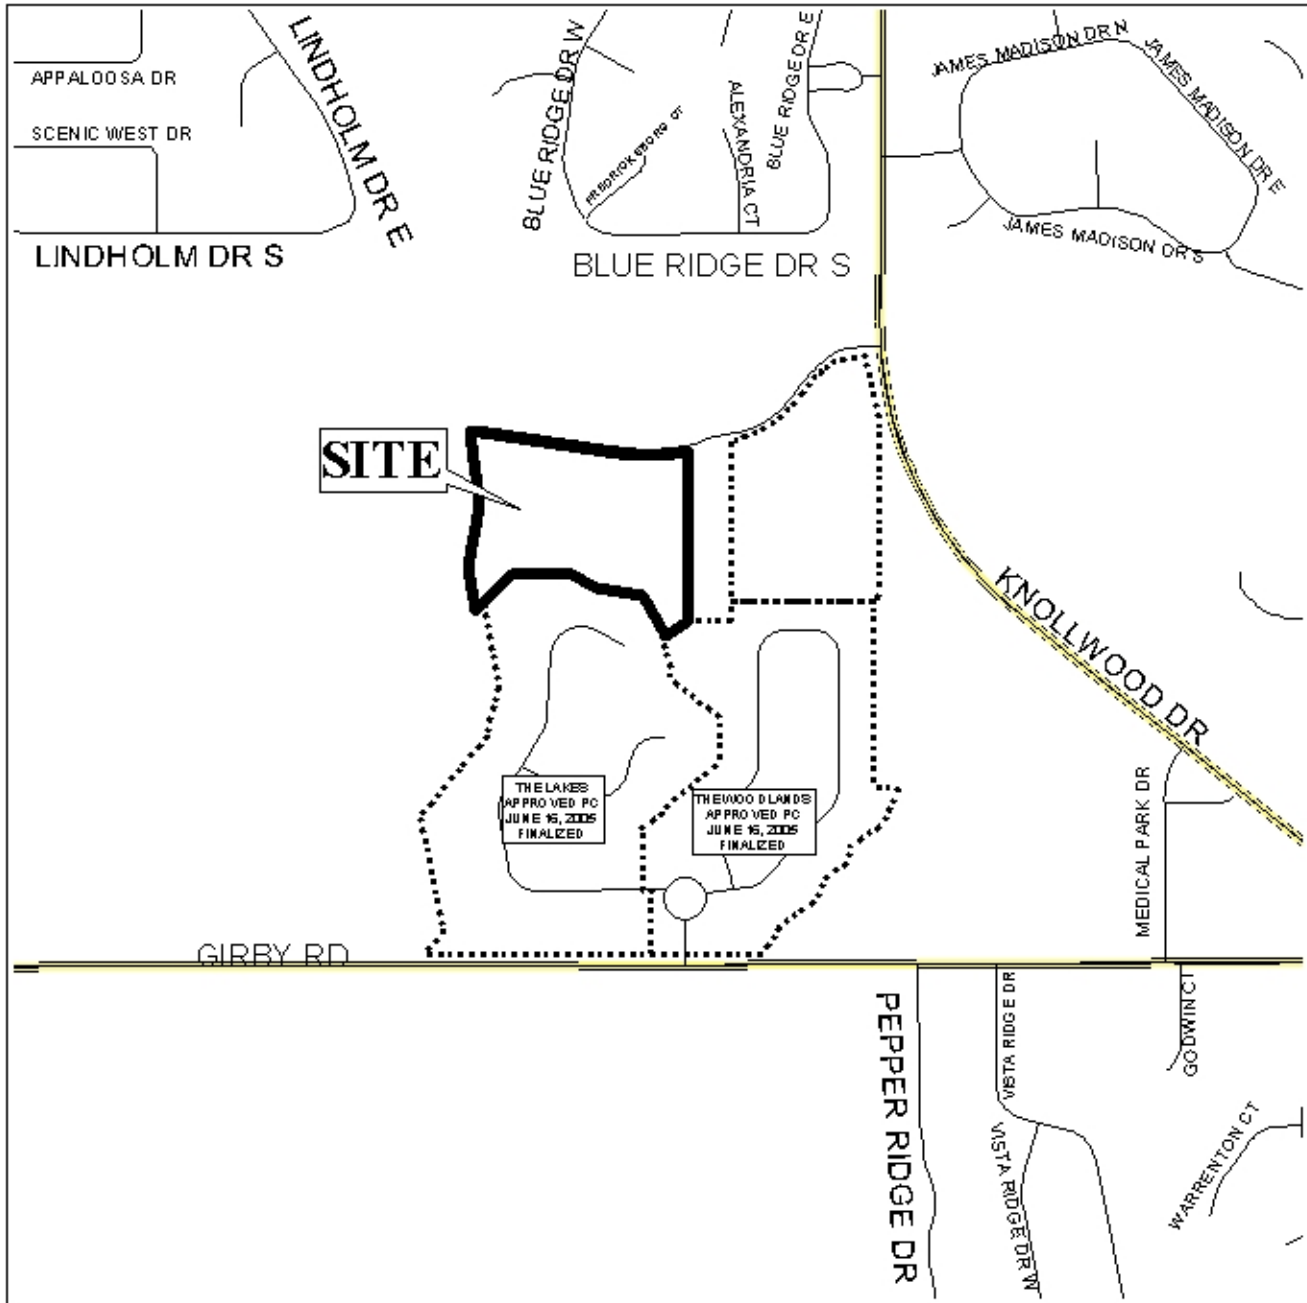

It should be noted that street construction and several conditions concerning drainage were required as a result of these approvals could be considered justification for extension.

RECOMMENDATION

PUD: Based on the preceding, it is recommended that this application for extension be approved.

SUBDIVISION: Based on the preceding, it is recommended that this application for extension be approved.
