

EXTENSION

PLANNED UNIT DEVELOPMENT EXTENSION STAFF REPORT

Date: July 7, 2005

DEVELOPMENT NAME Eastridge Place Subdivision, Lot 15

SUBDIVISION NAME Eastridge Place Subdivision, Lot 15

LOCATION Southeast corner of East Drive and Eastridge Place

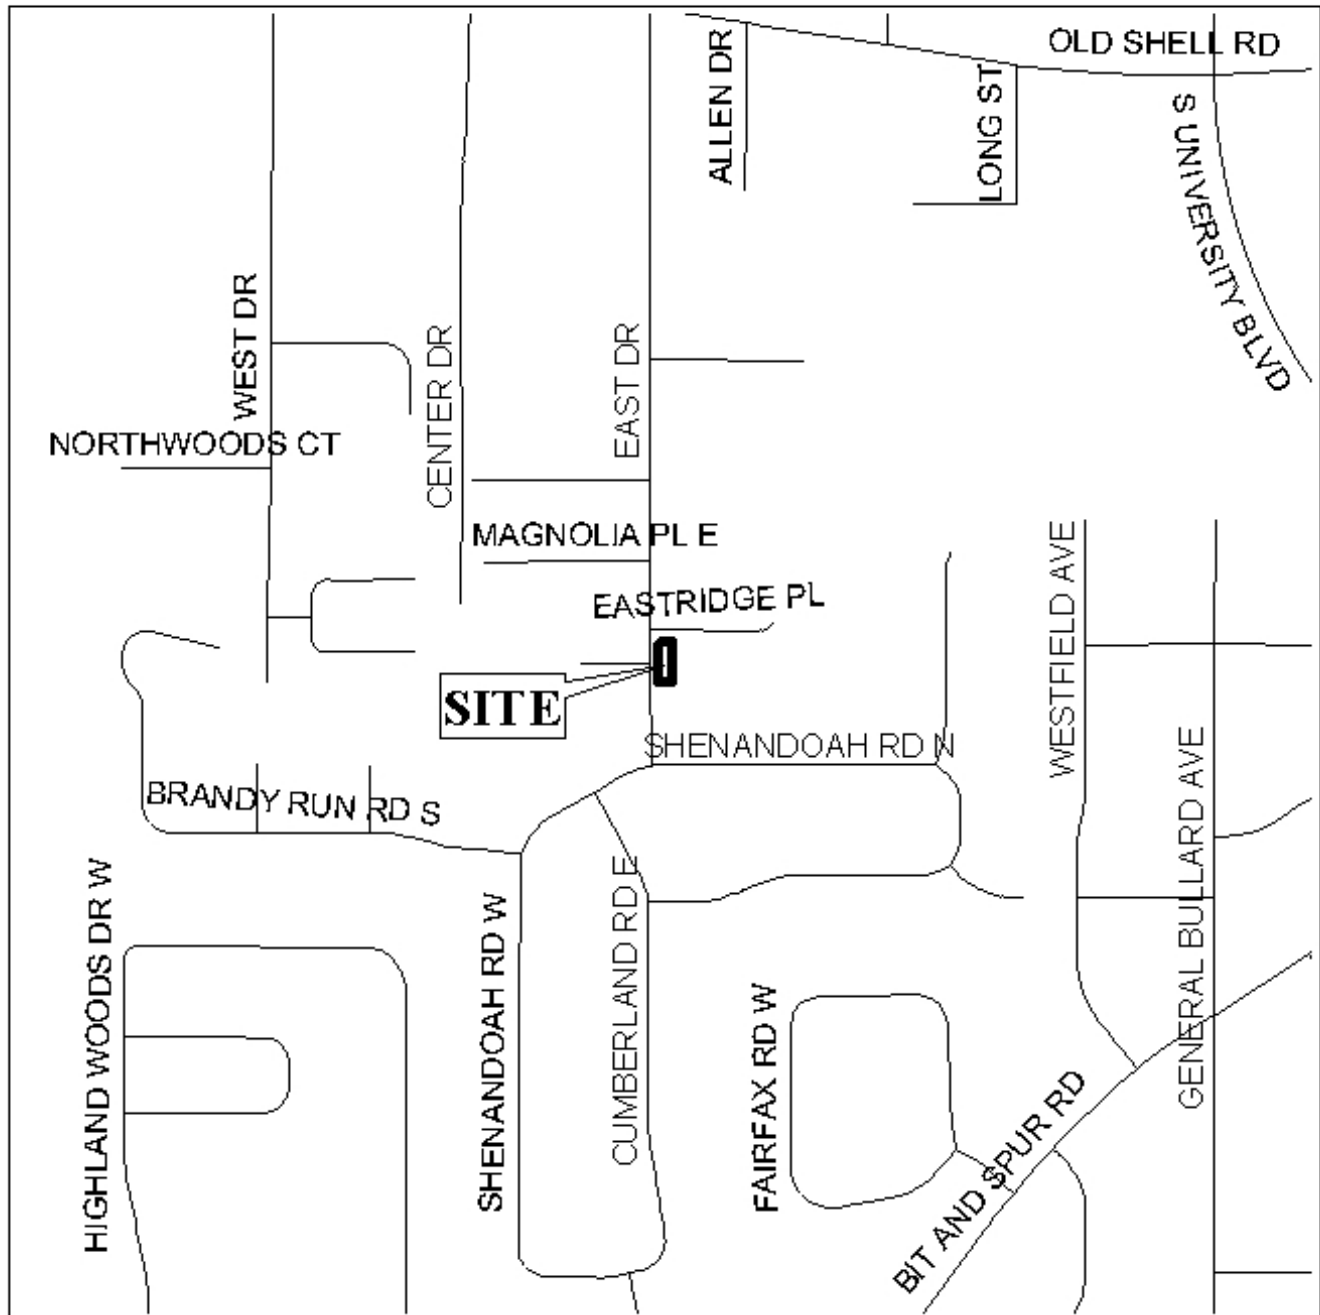

REMARKS The applicant is requesting extension of Planned Unit Development approval (originally granted in 2003) to amend a Planned Unit Development, to increase the maximum allowable site coverage to 45% in an R-1, Single Family Residential subdivision. There has been one extension granted since the original approval.

Planned Unit Development review examines the site with regard to its location to ensure that it is generally compatible with neighboring uses; that adequate access is provided without generating excess traffic along minor residential streets in residential districts outside the PUD; and that natural features of the site are taken into consideration. PUD review also examines the design of the development to provide for adequate circulation within the development; to ensure adequate access for emergency vehicles; and to consider and provide for protection from adverse effects of adjacent properties as well as provide protection of adjacent properties from adverse effects from the PUD.

As the site has been issued an address, sidewalks have been installed, and the site plan is currently under review, extension of approval would be appropriate.

RECOMMENDATION Based on the preceding, the application is recommended for approval.
