

WALSHWOOD MEDICAL SUBDIVISION,
RESUBDIVISION OF

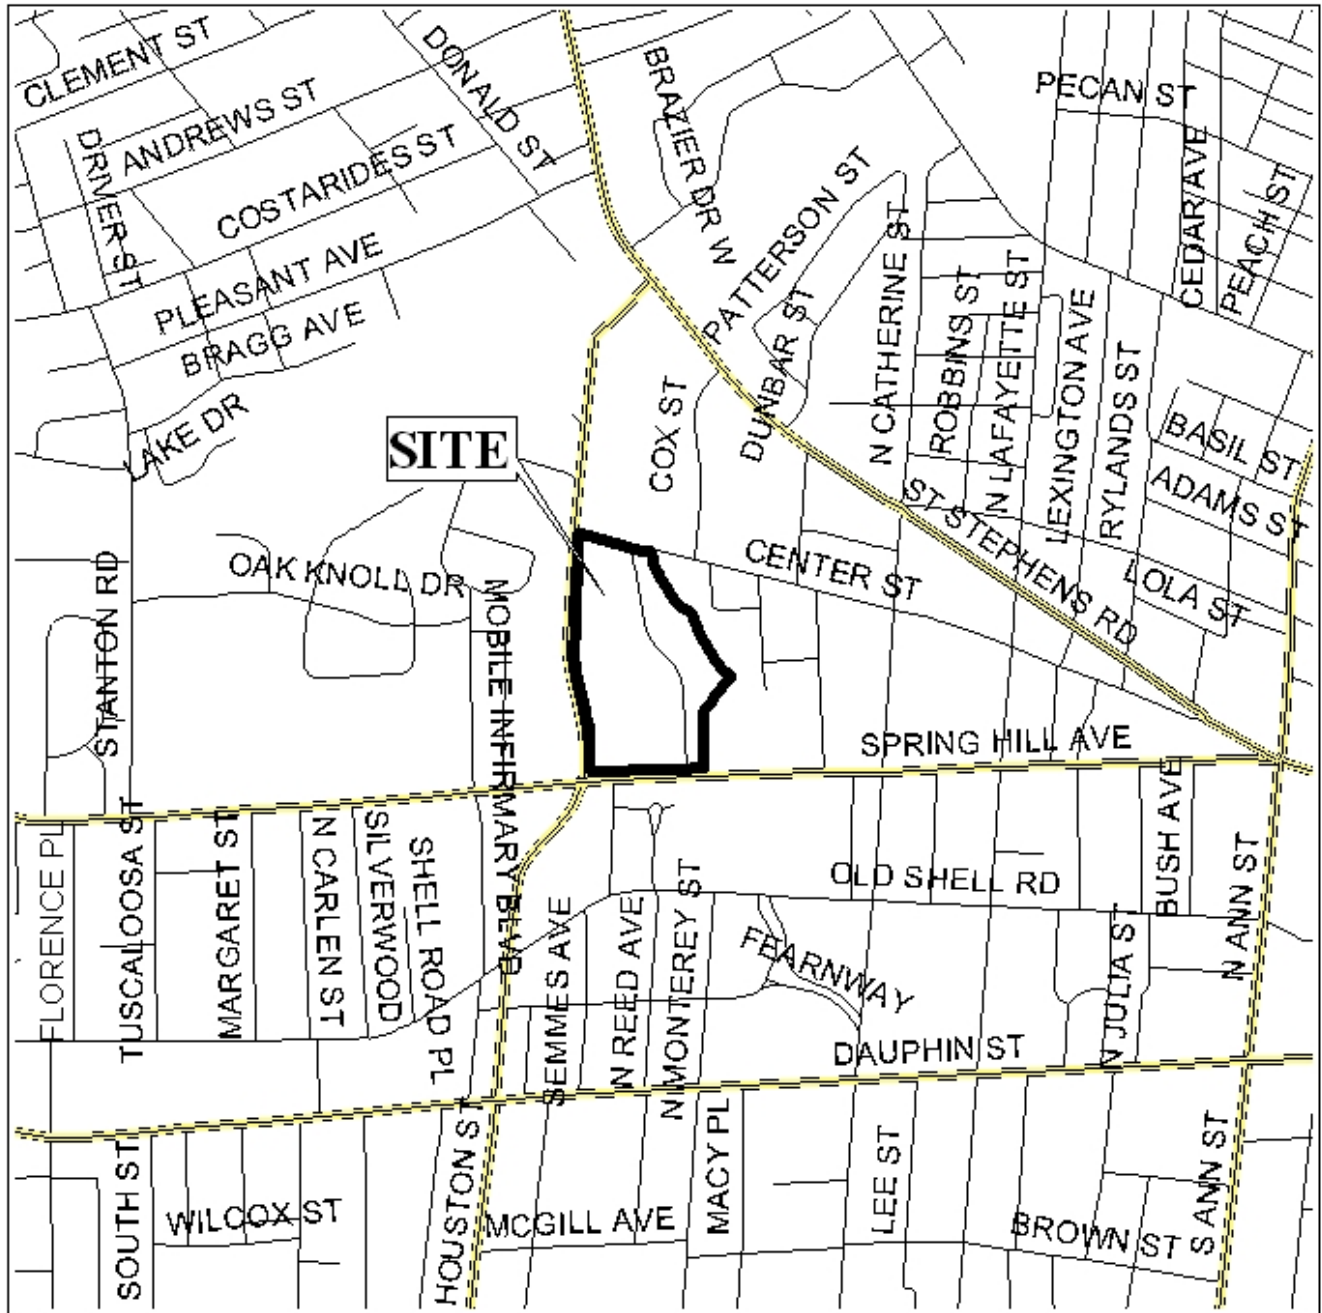

This is a request for a one-year extension of a previously approved two-lot subdivision. The subdivision is located at the Northeast corner of Spring Hill Avenue and Mobile Infirmary Drive, extending through to Center Street.

This is the first extension since the subdivision was originally approved in 2005. There have been no changes in conditions in the surrounding area that would affect the subdivision as previously approved; nor have there been changes to the Regulations that would affect the previous approval.

As this subdivision does not require street construction, the applicant is required only to comply with the conditions of approval.

Based upon the preceding, it is recommended that this request for extension be approved; however, the applicant should be advised that an additional extension would be unlikely.
